Rick Loves Going To New Churches, Meeting New Friends, Sharing Gods Word With New People and Coming Home With New Memories

"I flew down to Jacksonville to preach at a church I'd never been to before (The Good Samaritan Church), in a denomination I'd never preached in before (Anglican). I preached 5 times in 3 days. Pretty amazing because the people came back, for every service. While I was there I stayed with some wonderful friends (Shaun and Lien). Ate awesome Vietnamese food, with extra Vietnamese spice, which impressed Lien's father so much he gave me a powerful shoulder massage, including pounding my head. After all the Vietnamese spice and head pounding I dreamed that night I was the cook on a cowboy chuck wagon and someone stole my spices. It was a good dream, anything with cowboys and Chiles is good to me. When I left after church today I received this van, from a 90 year old lady and the church had filled it with supplies for Hosanna Home. A lady stuffed money in my pocket for gas. The pastor and his wife prayed over me, passionately and powerfully. As I was driving off another lady came running up with a plate of her National food she'd ran home to cook for me. I drove home eating Palestinian dolmas with my coffee. Serving God has its perks.

Jessica's bubbly personality, customer service skills, eagerness to learn and enthusiasm make her an asset to our team. When Mrs. Judy called regarding her lost wedding ring, the first thing she said was, "My husband and I have been married 52 years. I know there is no chance that someone turned it in." Well, Jessica found it! The thing that makes her the happiest is customers - meeting new ones and seeing all of our regulars. She says working at Renfro's Market is like being with family all of the time! Congratulations! You are so special to everyone at our Lafayette store and deserve all the praise!

ITEMS NEEDED:

1. **15-PASSENGER VAN;** Pastor Rick just got back from driving our current (best) 15-passenger van to New Jersey, and back. He can sure tell you...it was rough! A good 15-passenger van would be a God-send.
2. **STRONG, SOLID GARDEN TILLER**
3. **LAYING HENS:** Our ladies love their hens, unfortunately, so does a local hawk.
4. **LAUNDRY SOAP** (powder, liquid or gel pods). We do 100+ loads of laundry each week. We have a lot of men (50+), and women (20+) and children (6+). We do a LOT of laundry and it takes a LOT of supplies.

The continued financial support from you, our friends, is vital to our being able to do all we do and to help all the people we help. We appreciate each one of you.
